Lunch Program Announced For County Schools

It is the policy of the Appomattox County School Board to provide lunches free or at a reduced price to those children determined by the school principals to be unable to pay the full price for their lunches. The policy provides that an application form be completed and returned to the school. Copies of this form were sent home in a letter to parents and additional copies may be obtained at the principal's office in each school. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's ability to pay for school lunches. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

Under the provisions of the policy, the school principal is the local official who will make the determination of individual eligibility. He will use the family size income scale which the Appomatox County School Board has adopted for use system-wide.

The income scale for determining eligibility for free and reduced price lunches can be found on Page 2B of this issue of the **Times-Virginian**.

If a parent is dissatisfied with the ruling of the school principal he may make a request either orally or in writing for a hearing to appeal the decision. the request should be made to Mr. Daniel W. Davis whose address is Appomatox County School Board, Appomatox, Va. The hearing will be conducted in accordance with the proced

Raiders Open Season Friday At Buckingham

Phillip Goode and Billy Guthrie, Co-Captains of the Appomattox County High School Raiders will lead their team in the opening game of the football season on Friday night at 8:00 p.m. when the Raiders take on Buckingham High School in a game played in Buckingham. Both of the Co-Captains were All District players last year.

Goode, a senior at ACHS, is the son of Mrs. Otelia Goode. Having played tackle for three years, he has been moved to fullback this year to bolster the Raider backfield.

Guthrie, also a senior at ACHS, is the grandson of Mrs. Bennie Guthrie. He has been a starter for the varsity team since the 9th grade. Guthrie is expected to be one of the outstanding tackles in the District this season.

In the opening game of the season last year, the Raiders blasted Buckingham with a 28 to 0 score. Needless to say, the Raiders are looking forward to this opening game and to a good season all the way.

Faithful Appomattox fans will be backing this fine team all the way.

Dotson "Club Champion" In F.R.C.C. Golf Tourney

They are, front row from left to right, H. H. Dotson, Club Champion; T. T. Martin, winner in First Flight; F. K. Jones, winner in Second Flight; Charles Martin, winner in Third Flight; and C. C. Poe, the winner in the Fourth Flight. Second row from left to right are: James Paulette, 1st runner-up in Championship Flight; Bob McFaden, 1st runner-up in First Flight; L. W. The annual 1972 Labor Day Golf Tournament for members of the Falling River Country Club began the 54 hole play on Saturday September 2nd, and ended Monday, September 4th, in an exciting 3-way tie for the Club Championship which was played off in sudden-death immediately following the tournament.

Tournament play on Monday was made up of five flights - Championship, First, Second, Third and Fourth Flights. This was possibly the most interesting tournament yet played at the local Country Club. More interest is shown each year in this exciting event.

John Paul Rothgeb had held the "Club Champion" title for the past two years but was unsuccessful in his attempt to retain his title this year.

The Championship Flight ended in a three-way tie thus bringing about the sudden-death play for the Club Champion Title. Tied for this title were H. H. Dotson of Rustburg, James Paulette of Evergreen and G. H. Jamerson of Appomattox. In the sudden-death play, Dotson won the Club Champion Title on the first hole of play. Paulette and Jamerson played through No. 4 before the tie was broken. James Paulette won out as 1st runner-up and G. H. Jamerson took the 2nd runner-up honors.

Winners in the next four flights were as follows: First Flight: T. T. Martin, winner; Bob McFaden, 1st runner-up; and Jerry Conner and Keith Ferguson (young teen-agers) tied for 2nd runner-up with Keith Ferguson winning on the first hole in sudden-death. List Compiled For ASC Elections

A list of eligible voters for Appomattox County Agricultural Stabilization and Conservation (ASC) community committee elections is now being compiled at the ASCS office.

Producers may check at the local ASCS office to make sure that they are listed to receive ballots in the mail elections to be held later this year.

Producers and the general public may inspect the list from now until December 1, at the Appomattox County ASCS office, Court Street, Appomattox, Virginia.

Voter eligibility for ASC committeemen elections is now-discriminatory and is applicable without regard to race, creed, color, sex, or national origin.

A farmer who is eligible to participate in any ASCS program is eligible to vote in ASC elections. This includes not only producers of legal voting age who own, rent, or sharecrop a farm, but also minors who supervise and conduct farming operations on an entire farm. Spouses of eligible voters can participate in ASCS elections if they are joint owners or joint tenants of the farm.

In addition to these voters, any legal partnership, such as associations, estates, trusts, State, or State agencies, may also receive a ballot. Each owner in a joint farm ownership also has a vote. However, a producer may only vote in one community election in the county regardless of the number of farming interests he has in different communities.

"We are exerting positive effort to assure that the names of all potential voters are on the list," said J. P. Alvis, Jr., Chairman of the Appomattox County Committee. We have gone over previous election lists, program participation records, mailing lists for our newsletters and other ASCS bulletins and are canvassing the county thru radio, and the newspapers, to reach all potential voters."

Mr. Alvis also said that the community boundaries have been determined for this year's Agricultural Stabilization and Conservation Committeemen elections in Appomatox County and that there are no changes in the community boundaries this year.

New Materials At Pamplin School Library

Mrs. Therese Armstrong, Librarian at Pamplin Elementary School, on the left; Miss Veronica Cooper, Supervisor of Media in Chesterfield County, center; and Mrs. Winnie Foster, Education Representative for Virginia Impressions Products Company, Inc. of Richmond, on the right in the photo above, are looking over new materials purchased for Pamplin Elementary School with E.S.E.A. Title 11 special project funds.

A workshop was held on Wednesday morning, August 30, for the faculty to preview the materials and to discuss ways to create materials for use in the continuous progress program in the Pamplin Elementary School.

Mrs. Armstrong is the new full-time Librarian at the school this year.

Mrs. Barbara Waddell is principal at Pamplin Elementary School.

Lawson Ford, Inc. Announces Registration For P,P & K Contest

Registration for the area's 12th annual Punt, Pass and Kick Competition for boys ages eight through 13 is now open and will remain open through September 29th, according to an announcement made by Dick Bland, General Manager at Lawson Ford, Inc. In making the announcement, Bland said, "We're looking forward to a big Local PP&K Competition in Appomattox. We hope all the boys 8 - 13 years of age in this area will come in and register in our showroom."

The PP&K Competition is sponsored by Lawson Ford and the Appomattox County Jaycees. Throughout its six levels of competition, they point out, it is free of charge, and that a boy need only have a parent or guardian accompany him to the showroom to register.

The competition will have 1st, 2nd and 3rd place trophies for boys in each of the six age groups, or 18 trophies in all. This increases each boy's chances of winning and allows him to compete only against boys in his own age group.

There is no body contact in PP&K. It's punting, passing and place kicking for distance and points, just as the name says. First place winners in each age group in our competition will go on to the Zone competition and from there, top winners go on up the ladder through District, Area, Division and National Finals. Naturally, we hope some of our area boys will make it all the way to the Finals.

Mr. Bland, the Ford Dealer, further explained that each boy upon registering receives a free PP&K Tips Book. In the 1972 edition, there are competition tips by NFL stars Dave Lewis, Roger Staubach and Garo Yepremian plus all-round suggestions from Coaches of the Year, Don Shula and Tom Landry. The Tips Book also includes complete PP&K rules and helpful conditioning exercises for contestants.

Remember, PP&K registrations will close at Lawson Ford on September 29th. Be sure to register in time for this event.

Long Time Correspondent Attends Our Open House

When the TIMES-VIRGINIAN observed its tenth anniversary under the ownership of the Vaughan's on Friday evening, September 1st, one of the many guests stopping by was Miss Cassie Baldwin, long time correspondent for this newspaper.

Lloyd Vaughan, Co-Publisher, is seen in the above picture as he chats with "Miss Cassie" on Friday night. Miss Cassie has written, faithfully, Rocks news for the TIMES-VIRGINIAN the entire 10 years of this ownership . . . however, she has written the same column for approximately forty years in all. It is people like Miss Cassie Baldwin who make a weekly county newspaper more enjoyable for readers and her weekly Rocks news is one of the most "read" columns in this paper.
